Resources for coping with and adjusting to dialysis

In this document, you will find an overview of existing resources to support you in coping with and adjusting to dialysis. Many different types of resources are listed, and we hope one or more will fit your needs. Many, but not all, of the resources listed are for Yukoners on dialysis.

We encourage you to see what is a good fit for you. In addition to using these resources, we encourage you to talk with your healthcare providers.

Information on Mental Health 2-4

Resources for your Self-care 5-8

In-person & Live Online Services 9-10

Regional and Crisis Resources 11

In the resources listed below, we have added internet links that you can click to read more about the information and services on their websites. Please note that most of the services listed in this document are free or covered for people living in Yukon, Canada. These documents were created to serve as an inventory of resources intended for online use. The links were last verified in December 2023.
